I'm fortunate because I've never really depended on my looks. I've decided that my talent and my individuality is far more important than my face. So get on board cause I am about to AGE THE OL FASHIONED WAY (in a tutu ruling shit at 30 mph 100 ft in the air over 40) yasssssssss

I am totally devastated watching what is happening in Australia right now with the horrific bushfires. I am pledging a donation of \$500,000 directly to the local fire services that are battling so hard on the frontlines. My heart goes out to our friends and family in Oz ♥ <https://t.co/kyjDbhoXpp>

I am of the mindset that it's a blessing to grow old. That if your face has lines around your eyes and mouth it means you've laughed a lot. I pray I look older in 10 years, cause that will mean I'm alive.

Waking up to see a newly created riff between myself and another incredible woman, Christina, who took on an incredible feat, who I support fully, makes me so sad. You all perpetuate keeping women apart b/c you're afraid of the power we have when we get together.

A really sweet Mama came up 2me tonight at the grocery store and told me some nice words about how she gets strength from my parenting cause I'm not afraid to fuck up in public. We cried together. It's so hard. Y'all. I wish us mamas could give ourselves and each other a break.

I'm happy to see people coming to the defense of The Duke and Duchess of Sussex. The way people treat her is the most public form of bullying I have seen in a while. It's out of control. Let's all be a bit kinder, huh? Let's show our children that it's cool to be kind.
