Sometimes we don't land or arrive at the destination we want to. The important thing is we took off and had the Hope and Belief we can. Our current situation is never and not our final destination. That always comes in time and belief! Proud of #ISRO

Thank u @narendramodi for hosting us & having such an open discussion on #ChangeWithin & the role artistes can play in spreading awareness of the msgs of The Mahatma. Also the idea of a University of Cinema is extremely opportune! <https://t.co/kWRbNk3xzo>
